Call to Worship

Opening Prayer (unison)

Infinite Love, heart of all life, you loved this word into being with such love as to birth yourself among us, Love begotten as the Beloved.

When our trust fails we are doomed, withdrawing into ourselves. When our trust fails we aren't open to love, the only source of life.

But when we open ourselves to your love, we live beyond ourselves, and are joined together in your eternal Oneness.

Your presence does not separate, but unites. Love does not push away, but embraces. You do not condemn, but save.

Trusting this we know we are loved, never rejected. Amen.
