

Holy Trinity’s Reconciling Statement

Holy Trinity United Methodist Church follows God’s directive to love all and welcome all with open arms. We celebrate God’s gift of diversity and value the wholeness made possible in community equally shared and shepherded by all. We welcome and affirm people of every gender identity, gender expression, and sexual orientation, who are also of every age, race, ethnicity, physical and mental ability, level of education, and family structure, and of every economic, immigration, marital, and social status, and so much more. We acknowledge that we live in a world of profound social, economic, and political inequities. As followers of Jesus, we commit ourselves to the pursuit of justice and pledge to stand in solidarity with all who are marginalized and oppressed.
